"Communion for Mission, Mission for Communion"

Dear Fathers and Brothers in Christ,

We have convoked our 6th provincial chapter. We have nearly three months left for the preparation. There are certain uncertainties regarding the travel and participation of all the Capitulars for the provincial chapter. But we hope and pray that all of us will be able to participate. Provincial chapter is a time of Grace. It is the time we come together as disciples of Jesus in the mission of the kingdom of God. It is an opportunity filled with God's grace for the plans to be discovered and exposed.

For this chapter we focus on two themes which are relevant to the life of the province: Community and Mission. Based on these themes we have formulated a theme for the Provincial Chapter 2022, "Communion for Mission, Mission for Communion". During the last study days held at Atma Dharshan, Aluva immediately after the Annual Retreat we had two days of classes organized to study deeper into this topic. Rev. Fr. Jacob Parappilly MSFS was the facilitator. He has prepared a working document which is sent to all of you. We were enlightened on this topic. As a followup a detailed study will be held at the community level animated by members of provincial council. Based on this discussion a report will be prepared and presented to the chapter for making action plans for the coming three years.

It is a new initiative in our province. This new initiative to bring results, we need the wholehearted participation of all the members. I request you to go through the working documents and share your valuable thoughts and observations, which could be used in the final preparation of the document.

The basic text for the development of the theme is a thought from our Rule of Life: Moved by the Holy Spirit who prompted the Son of God to experience our human condition and die on the cross in order to reconcile the world to his Father we resolve, in the light of the Apparition of Our Lady of La Salette, to be devoted servants of Christ and of the Church for the fulfillment of the mystery of reconciliation. we profess a deep love for Mother of Christ and of the Church for the fulfillment of the Ministry of Reconciliation (Rule of Life No. 4)

We resolve further, "In response to the call of God and in the fulfillment of the prayer of Christ "that they may all be one...so the world may believe..", we pledge to live out together our apostolic vocation of reconciliation. Joined in the same faith, in the same hope and animated by the same Spirit, we form one mind and one heart in one religious family" (Rule of Life 14)

A community life has a significant place in our manner of being and proceeding. A religious community, when formed under the model of the Trinitarian God, it will become a living (representing the Father), a loving (representing the Son), and vibrant (representing the Holy Spirit) community of consecrated people. (Working Document of Provincial Chapter 2022).

Consecrated life, in general, is rediscovering the potential of the communitarian 'we' for mission. A major unifying factor of any community is the collective vision and mission that motivates people to come with unity, passion and enthusiasm. Community life, and only that, opens spaces and dimensions of religious life. Community reminds its members that they have to take care of their personal journey of faith in the clamour of apostolic life.

Experience confirms that the closeness of community life to the apostolate may be greater than we think. Rescued from its exile, the return of the community to mission may be a gift for us La Salette and for our apostolic life. Thus that paradox essential to our vocation would be fulfilled, that we live belonging, which makes us alive for giving.

Yours in our Blessed Mother,
Fr. Sajive Maliakal MS
